A coroner's inquest was held at the police station last evening and a verdict was rendered in accordance with the facts.

ANOTHER ROUSER.

Ward Two Falls in Line for Reform on Tuesday Evening.
At a meeting of the Second Ward which was held at St. Alban's school, Mr. H. Von Holt called the meeting to order at 7:10 p. m. Upon motion J. H. Paty was called to the chair. Mr. W. Jones was appointed temporary secretary. On motion a committee of five was appointed on permanent organization as follows: H. Von Holt, S. K. Pulikapu, T. Sorenson, J. D. Tucker and Daniela.
The committee on organization presented the following list which was enthusiastically endorsed: J. H. Paty, chairman; S. K. Kane, vice-chairman; W. H. Hoogs, secretary and treasurer. Executive committee: R. J. Greene, Kaneauakala, H. Gunn, Kelia, H. Renjes, E. A. McInerney, J. Cassidy, H. Waterhouse, J. K. Naone, H. Vereira, S. Anapu and J. A. M. Osorio.
Upon the return of the committee, Mr. H. von Holt presented the Constitution. Mr. Henry Waterhouse moved that the Constitution be read in Hawaiian, which was accordingly done and accepted.
The report of the committee was adopted.
The Hon. W. O. Smith moved that voters present sign the Constitution of the club; and all of those present came forward and signed their names in support of the Reform movement.
The Hon. A. Rosa made an objection as to qualifications of members, and questioned the boundaries of the election district; but his objections were overruled.
The Hon. W. O. Smith then proposed that some speeches should be made, and upon a general call, Mr. C. L. Carter made some very pertinent remarks upon Constitutional government.
The Hon. A. S. Hartwell followed with some excellent views upon self-government, showing that the present Reform government was an effort of government "for the people and by the people."
The Hon. A. Rosa was then called upon, and made a few remarks in which he stated that he was in opposition to the Ministry, and so preferred to refrain from giving an expression of his sentiments at this stage of the political movement.
The Hon. Lorrin A. Thurston being loudly called upon gave an exposition of the ministerial standpoint. He said, in substance, that a great deal too much had been made in this country of the personality of this or that ministry. The issue before the country was not the present ministry but was the measures that they could bring forward properly backed. He did not want anybody to back the ministry upon its mere personality but the ministerial platform was before the country and upon that those present might make their election.
Minister Thurston's speech, of which only a brief resume is given, was received with prolonged applause.
The Hon. W. O. Smith spoke in Hawaiian, his political remarks being enthusiastically applauded by his auditors.
The meeting then adjourned subject to the call of the chairman.

HILO HAPPENINGS.

At a meeting held at Hilo Court House on the 16th inst., the following gentlemen were appointed to act as delegates to the meeting to be held on the 20th inst. at the same place, to meet the other delegates from this island for the purpose of nominating Nobles.
The Hilo gentlemen were Messrs. Kennedy, Wilson, Loebeinstein, Hitchcock, Vierra, Carnario, Kamai, Iwaliko, and Scott.
At the meeting of the various delegates on the 20th inst. they nominated as Nobles: Dr. C. H. Wetmore of Hilo, two years; J. Kauhane of Kau, six years; Saml. Parker of Waimea, two years; J. M. Horner of Kikauia, six years; Dr. Wight of Kohala, four years; and K. Hinds of Kohala, four years.
It is thought that these nominations will give general satisfaction, and be elected.
A few days previous to this meeting, the natives met and named Hon. J. Nawahi as a delegate to the convention, but as the credential presented by Mr. Nawahi was not signed by anyone he was not permitted to have any voice in the nomination of Nobles, and left the meeting.
Purser Beckley and passengers of the Kinan report a very rough passage on this her last trip to Hilo, lost one boat, and could not land her passengers at Laupahoehoe.
The rain still continues at Hilo. Weather prophets are of no use here. No one now keeps a record of the amount of rain that falls.
The Ray Brothers, Australian comedians, gave an entertainment at the Court House, Hilo, on the 21st, to a splendid house, considering the unpleasantness of the weather. The Literary and Musical club gave up their entertainment in order that the comedians might be benefited.
General Robert Wilcox arrived by the Kinan, and is the guest of J. Nawahi, Esq.
Hilo, Dec. 21, 1889.

The Mechanics' Union.

The usual weekly meeting of the Mechanics' Union was very poorly attended on Friday evening. At 7:45 o'clock there were but twenty-five people present and not to pass the buck without a call, Mr. Robert More advanced to the President's chair and called the meeting to order. On motion of Mr. Godfrey Mr. More was made temporary chairman, after which the usual routine business was transacted. There were no members proposed or elected.
Under the usual head the chairman proposed that a collection be made toward defraying the current expenses. Mr. Godfrey suggested, in aid thereof, that the organization being now out of debt the call for voluntary contribution was only just and in accord with the first principles of the Union.
Secretary Stone objected to such contributions, stating that money could always be obtained when necessary.
Mr. Godfrey said that that was the first knowledge which he had had of a "sack" being open to the Union.
Secretary Stone replied that "there was a sack," and his opponent in argument subsided.
The meeting soon afterward adjourned; 25 members present.

A MASONIC CELEBRATION.

Hawaiian Lodge Honors St. John's Day.
By previous notice there was a very large gathering of local and visiting Masons at the Hawaiian Lodge room last Friday to witness the installation ceremonies of the new lodge officers. Past Master John A. Hassinger officiated as the installing officer, assisted by Past Master Allen, as Marshal; the music for the occasion being rendered by Prof. Sauvlet.
The ceremonies, consistent with the installation, were rendered in the manner according to ritual, after which recess was had to the usual feast of reason and flow of soul.
The officers elect and visiting friends including one sole representative of the Press (the Advertiser) assembled in the ante-room and prepared themselves to partake of the delicacies presented by mine host, Steiner, of the Elite parlors.
Master elect John Phillips supported by Past Master John A. Hassinger occupied the head of the table; prominent officers of the Masonic body occupying seats on either side. Master Phillips filled the position, in an able manner, as toast master on the happy occasion and presented the following toasts which were ably responded to, as follows:
"Our Royal Brother King Kalakaua," to which Col. W. F. Allen responded.
"The Officers Elect," which was appropriately responded to by the presiding officer Mr. John Phillips.
"The Past Officers and Masters of Lodge Le Progress," responded to by Henry H. Williams.
"The Grand Lodge of California." To this toast Mr. J. A. Hassinger responded in such manner as to cause very expressive appreciation of his remarks.
"Music," was now toasted, and was most appropriately responded to by Prof. Sauvlet, by a rendition of a gavotte on the piano of the Lodge.
To the toast of the "Past Masters of Hawaiian Lodges," it was by request, that P. M. Bro. Mackintosh responded, and his remarks placed the large company "en rapport" as evinced by the very hearty and extended applause received when he closed.
To the toast of "Our Visiting Brothers" a response was made by Messrs. Ruesch, Trevaillon and Walker.
The "Inspector" was toasted and to which a very elaborate answer was made by T. C. Porter, after which Brother J. A. Hassinger remembered the Press, answer being made thereto by Frank Godfrey of the Advertiser.
Marshal Soper was compelled, by order, to arrest Milton N. Sanders to make a response to a toast, but other fugitives from the justice of the Master's decision responded promptly.
There is no difference of opinion relative to the extremely Masonic unity existing, and which reflects great credit upon Hawaiian Lodge No. 1, F. and A. M.
Following are the officers elect and installed for the ensuing term:
W. M., John Phillips; S. W., A. B. Scrimgeour; J. W., Maurice Goldberger; Treasurer, Walter M. Giffard; Secretary, Theo. C. Porter; S. D., Frank B. Auerbach; J. D., Milton N. Sanders; Chaplain, A. Mackintosh; Marshal, Jno. H. Soper; Stewards, W. F. Love, A. B. DeWalt; Tyler, Benj. Whitney; re-elected.
WARD ONE TO THE FRONT.
An Enthusiastic Business Meeting of Voters.
There was a rousing meeting of the voters of Ward 1 at the schoolhouse on Beretania street near Pilkoil street, last week and the result was very satisfactory.
The meeting was called to order by Mr. Harry Von Holt as acting chairman of the Central Committee of the ward. The meeting then resolved itself into the First District Reform Club and Hon. Alex. Young was elected temporary chairman Mr. C. T. Wilder as secretary.
A committee on permanent organization was then appointed as follows: Messrs. Andrew Brown, J. W. McChesney, W. G. Ashley, Fred. Harrison, S. K. Kamakua.
A short recess was had and the committee on organization retired, returning soon with the following nominations for officers of the Club which received unanimous approbation, viz: Chairman, Hon. Alex. Young; vice-Chairman, Hon. W. C. Wilder; Secretary and Treasurer, Chas. T. Wilder; Executive committee: Alex. Young, chairman; Thomas J. King, T. S. Douglas, S. K. Kamaka, F. Harrison, M. A. Gonsalves, Andrew Brown.
Opportunity was now given to voters to sign the roll and this particular business was being carried on at the time of adjournment.
The Second District.
The Second Ward, or district, includes "all that portion of Honolulu or Kona, north of the first district and inside of a line drawn from the flagpole at the old battery on Puuowaea to the junction of School and Emma streets, along the center of School street to Fort street, along the center of Fort street to Beretania street, center of Beretania street to the Nuuanu stream at Smith's bridge, thence up the center of said stream to School street, center of School street to Liliha street, center of Liliha street to Judd street, along the center of Judd street to the crest of the ridge on the northwesterly side of Nuuanu valley, and thence along the crest of said ridge to the peak called Lanihuli in the Konahuani range of mountains."
Third and Fourth Districts.
Third District: All that portion of Honolulu or Kona, lying adjacent to the first and second districts and inside of a line drawn from the corner of Fort and Beretania streets, along the center of Beretania street to Richard street, along the center of Richard street to the sea, and bounded makai by the sea.
Fourth District: All that portion of Honolulu or Kona, lying west of districts two and three and inside of a line drawn from the corner of School and Liliha streets, through the center of Liliha street to King street, along the center of King street to the bridge crossing the Nuuanu stream, and bounded makai by the stream.

MAUI ITEMS.

Hamakuaoko mill will begin to diffuse on January 2d.
The ticket for Nobles nominated on Thursday at Kahului by the reform electors, is a strong one, and will go through swimmingly. The gentlemen nominated were as follows: H. P. Baldwin, J. Y. Horner, R. S. Wallbridge, W. H. Cornell, J. Anderson, and L. von Tempisky.
Mr. N. Ormsted was winner of first medal at the rifle match on Christmas day, and Mr. J. N. S. Williams pocketed the second medal; Mr. H. Bailey took the third medal. The latter two gentlemen will probably fail to retain their prizes, as the medals must be shot for every month, and the new winners are both about to leave the island. Captain G. Heinemann has much the highest score yet made at the range, 21, but he fell below when the medal was competed for.
Plenty of rain on Maui. For three weeks it has rained almost continuously at Makawao and other points, but now blue sky has appeared again.
Mr. and Mrs. H. Bailey leave us for Makaweli, Kauai. They are among the oldest residents of the district. May good fortune attend them.

The Planters' Monthly.
This useful serial for December is out, and well filled with articles relative to industrial pursuits. The leading topic is irrigation, and the report of Messrs. Schuyler and Allard is republished in full, showing what can be done for Oahu, if local capitalists choose to venture into irrigation projects. A short article on the Nicaragua canal closes with the following paragraph:
"This great work is destined, when completed, to add largely to the importance of our archipelago, which is the only central station in the North Pacific, midway between the American and Asiatic continents. It is none too soon for our law makers to provide the ways and means for deepening the entrance to our harbor to thirty feet, and constructing wharves and warehouses on its western and northern sides even if it has to be done by public loan. Before this work can possibly be done, the large 6,000 ton steamers filled with freight and passengers, will be knocking at our door for admission, and admission they must have or they will abandon this for some other port."

Concert and Presentation.

The concert at Emma square on Christmas afternoon was decidedly interesting, aside from being novel. On the occasion Prof. Berger introduced for the first time a performance by the string band, followed by a second part by the military band. The performance was a decided success and reflects great credit on the able leader.
At the close of the performance the Band boys made Prof. Berger a present of a framed picture of himself and which was passed over with the usual congratulatory remarks.
A Pleasant Picnic.
Under the care of Hon. W. R. Castle, with able assistants, a large party consisting of some six hundred people belonging to the Kawaiaho Sunday schools took passage at noon on Friday, via the Oahu Railway Co. cars, to a pleasant picnic at Ewa. All of the preparations were made to secure an enjoyable occasion, even the indefatigable Prof. Berger and the band being added to contribute to the pleasures of the occasion. The party left town at noon and returned, without a single accident or complaint, at 5 p. m.
An Appropriate Notice.
"Passengers on the Australia will have a fine Christmas dinner. We have before us the bill of fare, which is most artistically gotten up, and contains a list of viands of the most tempting nature. Accompanying the bill of fare is a card with the words, 'A Merry Christmas.'" The Bulletin will accept the thanks of the job printers of the GAZETTE office, for the kindly notice of their handiwork, which was also the opinion of the gentlemanly steward of the Australia.
